MAKE A SPLASH ON A RAINY DAY IN THE CLE

DESTINATION CLEVELAND SUGGESTS ACTIVITIES TO KEEP DRIZZLY DAYS FILLED WITH FUN

CLEVELAND (July 27, 2017) – Summer days in the CLE present residents with countless outdoor activities; but when the weather isn't in Cleveland's favor, residents won't let a little rain damper their summer plans for adventure. Whether it's finding ways to forget about the rain or discovering a quiet place to watch the storm, Destination Cleveland recommends residents take the opportunity to explore more of the area.

CLE's Trampoline Kingdom

Sky Zone

- Instead of jumping into puddles, residents can bound from one aerial activity to the next at [Sky Zone](#). In addition to freestyle trampolines, Sky Zone offers four special jumping areas that allow contestants to soar to new heights while challenging each other to some friendly rivalry. Thanks to these bouncy platforms, dodgeball enthusiasts enjoy a new twist to the classic game by running on walls to sidestep an opponent's powerful throw or launching themselves above one's aim. Dreams of dunking can come true as basketballers bounce above the rim in the SkySlam Zone, while volleyball fans rise above the competition for that game winning spike.
